NEW DuraPlus® Bath Tissue

Individual and jumbo rolls

PREMIUM LOOK, FEEL AND PERFORMANCE – AT A PRICE YOU WON'T BELIEVE

New DuraPlus® bath tissue delivers performance and value in convenient formats to suit every facility's needs.

Like national paper brands, DuraPlus® bath tissue is made from virgin fibre. It is bright white and delivers softness, absorbency and premium product performance – all at a value price. Individually wrapped rolls provide a hygienic and attractive presentation with an easy-start tab to prevent waste.

The jumbo roll format offers a universal core designed to fit virtually every jumbo roll dispenser size. Ideal for high-traffic areas, this product requires fewer changes and less labour for better control of paper waste and cost.

Offer your customers DuraPlus® bath tissue for exceptional performance and value. **Place your order today!**
